## SUMMER TIME

WELCOME TO New Hampshire

### THINGS TO DO WITH FRIENDS & FAMILY

Come enjoy Brentwood's own 4th of July Parade and Fireworks display. The parade steps off from Swasey Central School at 10:00 am. Festivities and fireworks begin at 6:00 pm behind the Rockingham County Nursing Home.

Visit one of New Hampshire's State Fairs: Stratham Fair, July 19-22; North Haverhill Fair, July 25-29; Cheshire Fair, August 2-5; Belknap County 4-H Fair, August 11-12; Cornish Fair, August 17-19; Lancaster Fair, August 30-Sept. 3; Hopkinton State Fair, August 31-Sept. 3; Rochester Fair, Sept. 6-16; Hillsborough County Ag Fair, Sept. 8-9; Seacoast Country Fair, Sept. 13-16; Deerfield Fair, Sept. 27-30; and Sandwich Fair, October 6-8.

If you like trains, consider taking a ride on the Mount Washington Cog Railway or the Conway Scenic Railroad.

For the brave of heart, Mount Washington has a Scenic Auto Road where you can drive to the summit for outstanding views of the

surrounding mountains. While you're up north, take a drive along the Kancamagus Highway.

You could visit historic places like Portsmouth, Concord, or Manchester. Don't forget to check out the many museum passes available at the Mary E. Bartlett Library.

If you'd like a day on the water, you could head to the ocean and take a boat trip out to the Isle of Shoals or head north to scenic Lake Winnepesaukee and rent a sailboat or take a turn around the lake on the M/S Mount Washington.

If a beach be your destination, you'll find plenty of sand from Hampton Beach State Park to Odiorne Point State Park.

Maybe your idea of summertime fun is simply to sit back and enjoy the warm sun in your own backyard. We live in a beautiful town in a wonderful state. Whatever you choose to do, have fun, be safe, and we'll be back in September. ~ The Brentwood Newsletter Team

## Boston Post Cane: Search For Town's Oldest Resident

Brentwood's Boston Post Cane will once again be awarded to the "oldest" citizen in town.

The tradition of the Boston Post Cane was started in 1909 by *Boston Post* Publisher Edwin A. Grozier. In an effort to increase the circulation of his newspaper, Grozier distributed some 700 canes to New England towns, which were to be awarded to the oldest citizen in town.

Each cane was manufactured by J.F. Fradley & Co. of New York and made of Gabon ebony from the African Congo. The head of the cane was rolled in 14-carat gold and shaped like a "door knob" and inscribed. Each cane was presented by the *Boston Post* to the Oldest Citizen in town.

About 176 New Hampshire towns originally received a cane and today 144 are still accounted for. Brentwood still has the original cane.

A replica of the cane is presented to recipients, the original is on display in the Town Office. Recipient and their heirs may keep the replica.

If you think you know the "oldest" citizen in town, please submit nominations by **August 1, 2018** to:

Town of Brentwood - Attn: Boston Post Cane  
1 Dalton Road, Brentwood NH 03833

Please be sure to include the property address, date of birth, and contact information of each candidate!

## With Deepest Sympathy

Cleo Castonguay passed from our company on May 24, 2018 at the age of 71 at Hyder Family Hospice House following a long and courageous battle with congestive heart failure.

Cleo resided in Brentwood for about ten years before moving to Exeter in the late 1980s and the community is a better place for having him here. Cleo was a driving force in getting things done. In 1979 he was involved with the Boy Scouts and started working with the Brentwood Youth Organization that would later become the Brentwood Recreation Center. Cleo was an active and outgoing leader, taking Brentwood youth on hiking, biking, skiing and other adventures. His vision in arranging a land swap with a neighboring piece of property gave the Recreation Center an additional 8 acres, which allowed it to develop the first-class playing fields it has today. The Cleo Castonguay Pavilion at the Recreation Center is named in his honor.

Many today know Cleo from his more than 30 years service to and President of St. Vincent de Paul Community Assistance Center and Exeter's food pantry. The center bears his name as well.

One post on Cleo's online obituary summed him up succinctly by saying, "The true measure of a person is not of wealth accumulated or mountains climbed. It is measured through the positive impact one has on individuals in the community and the world. Cleo not only helped thousands in need, he also inspired many to follow his example of caring for those less fortunate and teaching them to fish. Job well done Cleo. ~DB"

Cleo's passing is an enormous loss and many will miss him.

## Brentwood Police Department News

On Sunday, **July 8th**, at 10:30 am the insurance company formally known as MetLife, Inc. along with the National Insurance Crime Bureau (NICB) will be presenting the Brentwood Police Department and the Town of Brentwood with a vehicle in honor of fallen Brentwood Police Officer Stephen Arkell. The presentation will be made at the National Hot Rod Association (NHRA) New England Nationals drag racing event being held at New England Dragway located at 131 Exeter Road Brentwood, New Hampshire.

The Brentwood Police Department would like to remind those who are visiting the fields and facilities at the Brentwood Recreation Center that dogs are not allowed to be walking about the property, leashed or unleashed; the property is posted as such. We apologize if this may cause any future inconveniences.

Rockingham County Sheriff's Deputy Lindsey Cunningham and K-9 Officer Abele along with K-9 Dax recently trained with Dr. Marc Mitchell in areas of Police K-9 care. Dr. Mitchell is Brentwood Police Department's K-9 Veterinarian. Deputy Cunningham is the Rockingham County Sheriff's Department W.E.T. team Medic. This was an excellent opportunity for these officers to learn how to treat emergency medical issues with K-9 Dax in the field. Thank you, Dr. Mitchell.

Brentwood Police Department K9 Dax will receive a bullet and stab protective vest thanks to a charitable donation from the non-profit organization Vested Interest in K9s Inc.

### Report a Tip

To report a crime in progress, dial 9-1-1. If you are reporting a crime that has occurred in the past or is not an emergency, dial the main number at 603-642-8817. Go to [www.brentwoodnh.gov/forms/police](http://www.brentwoodnh.gov/forms/police) to report a tip online.

### A Note From the Animal Control Officer

This is the time of year wildlife will be having offspring (babies) and will seek places such as under decks, sheds or porches for their offspring to grow until they are able to venture out independently. You can use chicken wire or barriers to restrict access to these places.

Please remember that bears are out of hibernation and looking for food. Remember to take in your bird feeders (April-October), don't leave pet food out and secure your garbage. Bears are opportunistic and hungry and have become comfortable with people.

There have been several encounters with raccoons that were likely rabid, please remember to keep pets and yourselves away from any raccoons (or any animal) that is acting aggressive. Should you encounter an animal that appears to be acting aggressively or not normal please contact the Brentwood Police Department ACO Bill Faria at 604-642-8817.

## Summer Safety From the Brentwood Fire Department

### Swimming Safety Tips

Hopefully by now everyone who owns a pool is enjoying it. The Brentwood Fire Dept. would like to give you a few things to think about before you dive right in. The number one cause of unintentional and preventable injuries to our youth is drowning incidents. Whether it be open water or a swimming pool, they both present different safety issues for people of all ages.

First, always have adult supervision when any child is swimming. It also helps to remain in arms-reach of your children. There are five swimming skills that are important to teach children. First, step or jump into water over their heads and return to the surface, float or tread water for one minute; turn around in a full circle and find an exit; swim 25 yards to exit the water; and exit the water. In a pool, be able to exit without using the ladder. These skills are very important to know especially for children.

Teach children that swimming in open water is not the same as swimming in a pool. They need to be aware of uneven surfaces, river currents, ocean undertow and changing weather. Make sure you use U.S. Coast Guard approved life jackets that are properly sized for the user.

Another big safety hazard we face with pools, hot tubs and spas are electrocution hazards. The most important thing to remember is to make sure any electrical installations are done by a professional. All outlets should be GFCI outlets, this will allow them to shut down if there are any over-current incidents. Any electric appliances should be at least 6 feet away from any swimming area. Never swim during a thunder storm.

The Brentwood Fire Department wants everyone to enjoy their summertime pool fun and to do so in a safe manner.

#### Paramedic Alyssa Cynewski

"I enjoy working and feel a strong calling to work in emergency services.

If I am not working, I'm probably spending time with my 4-year-old twin nieces and 2-year-old nephew. We like to do anything outside. We have a small farm with goats and we do a vegetable garden every year. It keeps us very busy."

*Alyssa and nephew Charlie enjoying the outdoors.*

### Join the Brentwood Fire Department!

We provide the town with fire protection, emergency medical services, and are involved in the community by holding events. If you have any questions, you can stop by during business hours or call us at 603-642-8132. It is a very rewarding way to give back to the community and we would love to have you join our family.

## Memorial Day Ceremony

As it has been done in many years past, the town of Brentwood hosted its Memorial Day Ceremony at the Tonry Cemetery on Monday, May 28, 2018. Despite a quick passing shower on an overcast day, many town residents and veterans once again gathered to honor the memory of those who have died in the service of their country, and to honor those still with us who have served in the Armed Forces to preserve the freedoms we enjoy.

The Cemetery Trustees would like to thank all participants in this memorable event, including (but not limited to): Jon (Chief) Worrall for once again officiating the ceremony; our guest speaker Army (Ret) Steve Houten; members of the Brentwood Police Department for acting as our color guard; the Boy Scouts for acting as our flag bearers; the Girl Scouts and JAC for placing American flags at veteran gravesites prior to the ceremony and handing out poppies; Brentwood Selectman, Bob Mantegari, for reciting the poem "In Flanders Fields;" Cemetery Trustee, Albert Belanger for reciting the Gettysburg Address from memory; American Legion Post 51 for a wreath presentation, gun salute and rendition of "Taps;" and Rev. Allen Cook for our opening and closing prayers. A special thank you to all those residents who attended this meaningful public event for the first time, especially our young Marine just out of boot camp! For a small town, it is very heartening to see this event well attended by residents and veterans alike. Thank you one and all. If you have not attended a Brentwood Memorial Day Ceremony, we invite you to join us next year.

## Mary E. Bartlett Library 2018 Summer Reading Program

### *Libraries Rock*

**Who:** residents of all ages (adults included).

**What:** track your summer reading for a chance to earn a certificate of achievement, bragging rights, and great prizes (generously provided by our amazing Friends of the Library group)!

**When:** June 25th – August 3rd, 2018.

**Where:** Mary E. Bartlett Library, 22 Dalton Road.

**How:** Sign up on Monday, **June 25th**, receive a packet of goodies and a reading tracker. Set a personal goal with the librarians, reporting on:

- 1) Number of minutes (every 15)
- 2) Number of pages (every 20)
- 3) Number of books (best for preschoolers and early readers)
- 4) Number of days – minimum of 3 days per week

Check in periodically throughout the summer and:

- 1) Tell about a favorite book, scene, or character, OR
- 2) Show a representation of the book, a scene, or a character with a drawing, a painting, a sculpture, etc. Let your creativity shine! OR
- 3) Write a book review telling us what you did or didn't like about a book

Once your log is completed, you will receive a certificate of achievement and 15 tickets to place in prize raffles of your choice.

**Wait ... There's More!!!**

Earn BONUS Tickets:

- 1) 1 for every time you check out a book from the library (1 per visit)
- 2) 1 for every book you read with a musical theme (see library displays for ideas)
- 3) 5 for every time you attend a program at the library

**Why:** Why not? But seriously — reading throughout the summer helps lessen the “summer slide,” the loss of skills over the summer months leading to lower reading performance and the need for teachers to reteach skills far into the beginning of the school year.

## Brentwood Historical Society News

It has been a very busy and productive summer for the Historical Society. Volunteers have been working on the collection, updating our bylaws, and redesigning the layout of the Museum. Thanks to all who have given their time and energy.

On Saturday, **July 7** and **August 4**, from 10:00 am to 1:00 pm, there will be an Open House at the Museum, 140 Crawley Falls Road. Leaf through our scrapbooks, library, and photo albums and take a guided tour of the building. There are a number of projects underway – writing dates and names on photographs, suggesting possible new exhibits, and aiding our curator with some filing.

Our next event is on **Saturday, July 14**, beginning at 10:00 am at the Museum. It is a new program “Powder Horns, Flintlocks, Muzzle Loaders & More” Guest speakers, dressed in militia uniforms, will visit Brentwood. They often enact events for the Col. Paul Wentworth House in Rollinsford. They will tell how powder horns came into use, where and how they got the powder, and how they loaded and fired the musket. In addition, there will be more information about how gunpowder was carried to the battlefield, how a man got a “refill” when he had used all his powder and other details. They'll also show us other early guns used in the late 1700s to early 1800s. We recently received a gift of our first powder horn from Hollis Brodrick of Portsmouth. “Brintwood,” the original spelling of our town's name, and “J.Veasey,” as well as dates from the Revolutionary War, are scratched on it. “Our” powder horn will have a place of honor for that program, as we learn how Mr. Veasey and his fellow patriots and militiamen managed during the war. Bring your friends and neighbors who collect or have a special interest in flintlocks, muskets and this era.

We continue to build our collection of artifacts and records of important events in town and about people from Brentwood. Our Revolutionary War and Civil War records are accurate. However, less is known about the military service of residents in the following years. If you or a family member from Brentwood served in any branch of the military, please contact us with information about his or her service. We would like to update our records for those who served in the past 70 years in peacetime, the Korean War, Vietnam, Desert Storm, Iraq, or Afghanistan. If anyone is currently serving, please send that information as well to [president@brentwoodnhhistory.org](mailto:president@brentwoodnhhistory.org).

In the autumn, we will begin to gather and document information about authors, poets, journalists, diarists, bloggers, and editors who have lived or currently live in Brentwood. And, if anyone in town has a Podcast – that would be an interesting bit of information as well.

Thank you to those who joined the Historical Society. We are pleased to have many new members interested in studying and preserving the history of Brentwood. New members are always welcome, and a membership form can be found on our website at [brentwoodnhhistory.org](http://brentwoodnhhistory.org).

Nearly 50 people came to the Library on June 14 to hear and sometimes sing with, Ramblin' Richard Kruppa as he gave his wonderful program of popular World War I songs and the stories behind them. An Exeter resident and retired professor from Bowling Green University in Ohio, he added many powerful details about the war that everyone went home knowing more about the “Great War.” The program was presented by the Brentwood Historical Society.

## Cub Scouts Pack 192

Join us this summer for a hike and learn what scouting is all about. We will be hiking as a group on Sunday, **July 22nd** and Sunday, **August 19th**. We will meet at the Rec Center in town at 9:00 am sharp to carpool/drive to our destination for the day! Likely hikes are Pawtuck-away and Mt. Major. This hike is designed for all ages and skill levels so bring the entire family and a lunch!

Scouts LOVE to camp! This year 14 scouts from our pack are off for a week of summer camp at Camp Carpenter in Manchester! We will also be planning a pack overnight at a local campground. In August we will be attending Scout Night at Fisher Cats Stadium where Scouts and their families will attend a game, enjoy the fireworks and then get to set up camp right in the outfield!

Each May Cub Scouts "crossover" in a bridging ceremony where they receive the achievements/advancement that they have been working on throughout the year. This year 7 scouts received their Webelos rank badge, 9 scouts received their Bear rank badge, 5 scouts received their Wolf rank badge, 14 scouts received their Tiger rank badge, and 5 scouts received their Lion rank badge. The boys work hard all year to learn skills and complete necessary requirements for each badge.

Do you have a child starting Kindergarten in the fall of 2018? Brentwood has a Lion's Den (specifically for Kindergarten-aged boys and girls). If your child is interested in Scouting we would love to hear from you. Contact [brentwoodpack192@gmail.com](mailto:brentwoodpack192@gmail.com) for more information.

Do you have a boy or girl who is interested in Scouting? Find out more about Cub Scouts in your community at [beascout.org](http://beascout.org), or email [brentwoodpack192@gmail.com](mailto:brentwoodpack192@gmail.com) for more information.

Scouts and leaders from Brentwood Pack 192 assist at the Memorial Day service at Tonry Cemetery on May 28th.

## Girl Scout Troops

Brentwood Girl Scouts were honored to serve their community at this year's Memorial Day ceremony at Tonry Cemetery. The girls made red poppy pins out of felt and buttons to hand out to everyone who attended. The poppy has been a symbol for honoring fallen military since the publication of the poem "In Flanders Field," which was written by Lt. Colonel John McCrae in 1915.

Girl Scout Troop 51227, comprised of 8 first graders and 5 kindergarteners held their annual end-of-year celebration and Bridging Ceremony on June 14th. Congratulations to all the girls! The following first graders have completed their tasks as Daisies and are officially Brownies: Emma Brown, Katie Goodrich, Charlotte Kelly, Olivia Markham, Kaya Nishina, Rhys Reardon, Gianna Spezzafero, and Makayla Sprague.

These third graders of Girl Scout Troop 51211 wrapped up their second successful year as Brownies and were so excited to earn their Wings and "fly up" to Girl Scout Juniors: Amelia Bonafede, Emilee Butenas, Violet Chiumiento, Mya Dineen, Sophie Goodes, Nora Hanlon, Abby Herrick, Madeleine Keener, Lillian Kelley, Kate Lundberg, and Sophie Morrow.

## Brentwood Parent Faculty Group

We enjoyed beautiful weather yet again for the End of the Year Celebration at Swasey on June 8th. The kids enjoyed bouncy houses, a dunk-a-teacher tank, and the Kona Ice truck! Thank you to our parent volunteers for helping us put on such a great event! Thank you to the Brentwood Teachers Association for providing the watermelon! And thank you dunk tank volunteers!

**SUMMER EVENTS!** Save The Date for the Meet & Greet and PFG Popsicle Social on Thursday, **August 23rd**. Following classroom visits, we will meet on the playground to reconnect with friends and enjoy popsicles. New this year will be a Kindergarten Playdate on Thursday **August 9nd** from 5:30-7:00 pm on the Swasey playground. Meet other incoming kindergarten students and families.

We want your input! As we begin planning for next year, we'd like to hear your thoughts on activities and fundraisers. Please take a moment to complete our short survey: [bit.ly/PFGSurvey](http://bit.ly/PFGSurvey). Your help makes a difference! Through your support this year we were able to fund at least one curriculum enrichment program for each grade and multiple school-wide speakers, performers and events!

Box Tops collection boxes are out at SCS, Mary E. Bartlett Library and the Town Hall. Each box top earns our school \$0.10, so please send those box tops in, it really does add up!

The PFG will not meet in July. Enjoy the Summer Break!

## Letters to the Community

Hello Brentwood Residents. I hope your summer is going fantastic and you are enjoying the beautiful weather! I am writing to inform you that I have decided to run for re-election as Brentwood's State Representative. I apologize for the lack of communication via the *Newsletter* in my second term. The State House itself was unsettled until February of my second term. I was reassigned to a different committee. I also had a lot of involvement with my mother in South Carolina. As our parents age there are numerous situations we must deal with.

All that being said, I am on track and looking forward to serving you for a third term. I will resume my monthly communications to you via *Newsletter* and as always I am a phone call away and would welcome your calls, concerns, and input as we seek together to make our State and the community of Brentwood, the best place to work, raise a family, and enjoy the good things of life!

Wishing you a summer filled with fun, love of family, and steps toward your dreams! Looking forward to serving you again.

Sincerely, Allen W. Cook

State Representative Brentwood NH, District 11 Rockingham County

---

Dear Brentwood Neighbors,

I, Lois DeYoung, am announcing my candidacy for State Representative from Brentwood's District 11.

In 1974 my husband John and I and our son and daughter moved to Crawley Falls Road in Brentwood. John commuted to United Airlines at Logan, the children attended Swasey Central School, and I became active in our schools and community. During the years my children attended Swasey, I helped out in the classroom and was SAU16 Treasurer for Brentwood. We joined the Brentwood Recreation Center, in addition to organizing and participating in BRC activities, I worked for about 15 years as a volunteer at the Bingo games at the Brentwood Fire Station. The proceeds provided funds for the BRC and the Fire Department. I have also served on the Brentwood School Board and Budget Committee.

My working career started with the beginning of construction on Seabrook Nuclear Plant in Seabrook, NH. When Seabrook Station construction was completed, I changed careers working as Legal Secretary and Paralegal. During the years as a legal secretary and paralegal, I completed my Bachelor's Degree at UNH's college, now known as Granite State College, and graduated magna cum laude. After 9/11 I returned to my construction career as a Project Assistant to the Engineer on several large construction projects.

In 2016 we celebrated our 50th wedding anniversary and I retired, just in time to help elect Donald Trump.

In 2017 my husband and I donated about 100 acres of our property off Crawley Falls Road to Southeast Land Trust for Conservation. The DeYoung/Fralic Conservation Area will help maintain Brentwood's rural, recreational area on the Exeter River forever.

I have now reached a time and availability to give back to Brentwood for the years of living in our wonderful town. I am seeking the office of

Brentwood's District 11 State Rep. It is my goal to get out this summer and meet as many Brentwood residents as I can. So, if I knock on your door, please help me learn about the issues and needs of our town.

As my previous employers and others will tell you I give 110% to every job I do. I want to give that 110% to Brentwood residents and be your voice in Concord. I am asking for your vote in the NH Primary on September 11th.

My contact information is 603-498-0002, [loisdeyoung@comcast.net](mailto:loisdeyoung@comcast.net).

Warm regards, Lois DeYoung

### Message From David Tovey

It has been a pleasure and an honor to work for the Town of Brentwood the past two and a half years. I would like to thank everyone who has participated in a recreation program and/or event; whether as a participant, volunteer, or staff member, you all have made a positive impact on not only my life, but those around you. It goes without saying that Brentwood is a unique and charming town, one that deserves the utmost service from all of its departments! I'm proud to say that the Recreation Department has made great progress in the past two and a half years and I hope that it continues on this path. Fortunately, my predecessor, Margaret Dullea, will be filling in while the Town Administrator and Recreation Commission search for a new Director. I will never forget my positive experience here in Brentwood. Thank you all for welcoming me and most importantly, supporting the Recreation Department. I wish you all the best in health and in happiness.

Sincerely, David Tovey
